

A NOTE FROM THE SAINT FRANCIS DE SALES CULTURE COMMITTEE: Early next year you will begin to hear a lot more about our parish values. The values we embody call us to: worship, grow, evangelize, and love. To help us better conform our hearts and minds to these values, we now have a Lighthouse Catholic Media kiosk in the gathering space. For a small donation, you can purchase books, CDs, and booklets in English and Spanish. These materials will help you deepen your faith and challenge you to live out your call to Christian discipleship. Please stop by often to browse our rotating selection and leave suggestions for new LCM materials in the kiosk's donation box.
